Your Personal Invitation

Dear Participant:

On Friday, March 28, 2014 I am pleased to tee-off the 12th Annual Pembroke Pines Golf Tournament benefiting our Charter Schools.

In the past 11 years we have raised over 1 million dollars. With your help we can build on our success. Several years ago, the City of Pembroke Pines boldly moved forward for better education and in a very short period of time, has created the Nation's largest (and best) municipally-run charter school program.

The charter school program has capacity for 5,500 students. We are confident proceeds from this event will find a way to enhance each student's educational experience.

Join me by being a sponsor or by participating as a golfer in an event that promises to be fun, while benefiting our charter schools.

Sincerely,
Frank C. Ortis
