Turf Permits for Team Sports:

In order to coordinate the (amount of) usage on our turf fields and ensure the safety of all participants and other park patron's; permits are required for organized team sports. Certain criteria will be considered for the request; the amount of play previously permitted, the type of sport, the amount of space required to play safely, the amount of participants, the length of the request, the surrounding area, the type of park, etc.

"Organized (team) play" requires a permit on all (turf) facilities.

"Organized play" is defined as:

1) Players in uniforms.
2) Teams playing games with umpires or officials.
3) Players/sports needing to bring additional equipment to the facility (i.e. goals, cones, etc)
4) Games involving more than 5 on 5
5) Games involving reoccurring play (same facility, same time, same players, etc).

(Any one of the above is needed to trigger a need for a permit.)
