Dear Parent or Guardian:

Our infant napping policy has changed in compliance with the Broward County Child Care Facility Ordinance 2004-2 Sec 7-5.04 Napping Space paragraph (f):

"When napping or sleeping, any infants that are not capable of rolling over on their own, should be positioned on their back on a firm surface to reduce the risk of Sudden Infant Death Syndrome, unless an alternate is authorized in writing by a physician. The documentation shall be maintained in the child's records."

We apologize for any inconvenience this may cause, but we are now required to get a doctor's note for a child to sleep in any other position than noted above.

Sincerely,

Susan Munro
