III. Removal / Relocation Justification:
PLEASE CHECK THE BOX OF THE REASON BELOW WHICH APPLIES TO YOU.
The following conditions must be proven to the city to issue a tree removal or relocation permit:

- The tree unreasonably restricts the permitted use of the property.
- A proposed development cannot be located on the site without tree removal.
- The property owner has made every reasonable effort to incorporate existing trees in the development project and to minimize the number of trees removed.
- The tree is significantly damaging existing structures and cannot be mitigated through proper arboricultural practices or reasonable modifications to the property.
- The tree interferes with utility services and cannot be mitigated through proper arboricultural practices.
- The tree creates an on-going safety problem for the existing development and cannot be mitigated through proper arboricultural practices.
- The tree is obstructing safe sightlines.
- The tree is growing too close in proximity to another more valuable tree(s) to permit normal growth and development of the affected tree(s).
- The tree is of poor quality and condition but is not considered a hazardous tree.

It is in the public interest and welfare that the tree be removed for a reason other than set forth herein.
