

City of Pembroke Pines
Building Division
10100 Pines Boulevard
Pembroke Pines, Florida 33026
Tel: (954) 435-6502 / Fax: (954) 435-6749

Sign Information

1. Please contact the Building Division at (954) 435-6502 for information.
2. All electrical and/or engineering reviews and inspections will be completed by those departments.
3. Please utilize the Florida Building Code for structural requirements.
4. Please utilize section 155 *SIGNS* of the Pembroke Pines Zoning Code for zoning requirements.
5. Inspection scheduling is available through the Building Division at (954) 435-6502, and also through the Voice Response System.
6. The permit holder must provide the tools necessary to make an inspection (e.g. ladder, etc.). Contact Jose Maderal or John Busha if there are any questions relating to inspections or any special needs.
7. The City will issue a sticker to be affixed to each Occupational License. The sticker shall include the permit number and the name of the firm responsible for erecting and maintaining the sign.
8. Monument signs shall have an address on the sign with numbers between six inches and nine inches high.
9. If you have any questions regarding signs, please contact:

Dean Piper, Zoning Administrator
(954) 435-6502 x547
