

Crime Watch moves into 21st Century

We are moving forward...into the 21st Century. We want you to come with us. In fact without you we would not have the successful Crime Watch program that we have throughout Pembroke Pines.

However, our city is growing in population but our membership is not keeping up with the growth. We need more of our residents, new and old, to join Crime Watch. We need you to become the "eyes and ears" of the police.

The goal of Crime Watch is to deter and prevent crime in Pembroke Pines. With over 120,000 residents in

our city the police cannot be in every neighborhood all the time. There is too big an area to patrol and protect. That's why we need you to join Crime Watch and look out for your welfare as well as the welfare of your neighbors.

With some training from Crime Watch and police personnel, you can learn to protect your neighborhood from crime. You'll learn what to do when you see a suspicious person or vehicle in your neighborhood.

Remember Crime Watch members are not vigilantes. Our weapon is the telephone! Call 435-6528 today!
