

Bermuda Village - SilverLakes and Encantada hold annual Block Parties

Recently two new HOA members of Crime Watch held their annual Block Parties: Bermuda Village in SilverLakes and Encantada. We thank their entire communities for joining Crime Watch.

Surveys have shown that the crime rate is reduced in communities that are active in the Crime Watch program, with signs posted throughout the neighborhoods and ID decals displayed by the front door of their homes.

Crime Watch always tries to have McGruff the Crime Dog attend these type of functions. He attended both events and had a howling good time!
