

# Merchants get long-term member award certificates

Crime Watch is giving an award certificate honoring those merchants who have been continuous Crime Watch members for 5 years or more. There are five categories of certificates: 5year, 10 year, 15 year, 20 year, and 25 or more years. There will be only three types of certificates awarded this year: 5, 10, and 15 year ones. The following are the names of the merchants in alphabetical order for each year group:
