ENVIRONMENTAL SERVICES DIVISION LANDSCAPE PERMIT REQUIREMENTS

1. **Definition:** Landscape Construction permits, to be issued by the Environmental Services Division are required for all construction activities within private property and dedicated public rights-of-way and easements including, but not limited to; installation of landscaping, irrigation and tree removal.
2. **Permit Application:** Blank forms may be obtained from the Environmental Services Division, 13975 Pembroke Road, Pembroke Pines, Florida 33027. Telephone (954) 435-6511 Fax (954) 435-6755. Please complete all applicable blanks. Incomplete and/or unsigned applications cannot be processed.
3. **Permit Processing:** A minimum of five (5) working days is required for the processing of a permit application
4. **Permit Fee:** 4.00% of the construction cost, or as otherwise specified in Sections 150.16 & 6 – 16 of the City Code of Ordinances.
5. **Other Fees:** Re-Inspection Fee- \$62.27
6. **Drawings and Specifications:** Three (3) complete sets of plans must be submitted with permit application. All plans must be signed and sealed by a register professional of the appropriate discipline. A set of the approved stamped drawings and specification must be present on site at all times during construction and inspections.
7. **Shop Drawings:** A minimum of three (3) copies of the shop drawings must be submitted to the Environmental Services Division acknowledging review by contractor and approval by the Engineer/Architect.
8. **Performance Bond:** A performance bond or equivalent in the amount of 110% of the construction costs is required to ensure the landscaping construction is completed as planned. All bonds must be posted prior to the issuance of landscape permit. If the bond has already been submitted to the City, then please attach a copy. Performance bonds or equivalent must be verified through the City Attorney's office prior to any permit issuance.
9. **Construction Contract:** A copy of the construction contract indicating the individual costs and quantities as well as the lump sum cost of the project shall be attached with the permit application.
10. **Pavement Cuts:** This permit does NOT cover any pavement cuts on any existing roads, swales, or sidewalks in public right-of way. A separate permit must be applied in the Environmental Services Division for such activities.
11. **Pre-Construction Meeting:** The pre-construction meeting must be scheduled prior to the issuance of the construction permit. Pre-con will be held in the Environmental Services Division office. No construction shall begin prior to the pre-construction meeting.
12. **Inspections:** To schedule an inspection please contact the Environmental Services Division at (954) 435-6511 or fax your request to (954) 435-6755. All inspections must be scheduled a minimum of 24 hrs before the date of the inspection.
13. **Miscellaneous:** All construction to be performed under this permit must conform to the requirements of the City's Code of Ordinances. The City's Code of Ordinances shall supersede the approved plans and specifications.
