INCIDENT SUMMARY:

The Pembroke Pines Police Department is happy to announce that it will be participating in this year's "Movember" Campaign for Prostate Cancer Awareness Month. Members of the PPPD's sworn and non-sworn staff will be growing out their facial hair throughout the month of November to help spread awareness on men's health issues such as prostate cancer and testicular cancer.

The term "Movember" derives from a combination of the words 'November' and 'moustache', and the campaign is backed by the Movember Foundation - a globally recognized charity organization that has raised over \$650 million in funding towards programs focused on cancer prevention and treatment. The "Movember" annual event allows our officers to show their support for a cause that affects males of all races, ethnicities, and socio-economic backgrounds.

The PPPD is asking for the support of the community and local media in getting the word out regarding this partnership. A PPPD Team page has been created on the official Movember Foundation website - MOSISTA.CO/pembrokepinespolice - where anyone can donate to the cause on our behalf, similar to our agency's strong community efforts towards the ALS Foundation and the Special Olympics. With the backing of our officers and the participation of our community, we hope to raise a significant donation to help combat men's health issues!

Stay tuned to our PPPD social media for updates as the month and growth progresses!
