INCIDENT SUMMARY:

The Pembroke Pines Police Department is happy to announce the 4-year anniversary of our Animal Assistance Program, which was started in November of 2011. Since the inception of this program our agency has saved over 1,000 dogs from being sent to Animal Control, either by finding their owners or through re-homing them with new 'forever families'.

We could not have accomplished this amazing goal without the support of our officers, civilian employees, volunteers, and members of the community who have adopted many of these pets. As we continue our program's efforts into the future, we would like to remind our residents to please microchip their pets so that in the event they become lost, we can reunite them with their family as safely and quickly as possible. And as always, we'd like to thank our community for their consistent support of this program.

Anyone who wishes to learn more about our Animal Assistance Program and possibly become a sponsor or volunteer, please see our website for more information: <http://www.ppines.com/index.aspx?nid=539>
