INCIDENT SUMMARY:

The H/M approached the juvenile female as she was walking her dog on the sidewalk of the Walden Lake Community. In a heavy Spanish accent (broken English), the H/M approached the female and asked to pet her dog. The male then tried to get the female to approach him, which she refused and continued to walk her dog. The male then went to his vehicle, retrieved a crowbar, and concealed it behind his back, following behind the female. The male became verbally aggressive with his demands to pet the female's dog, and picked up his pace when the female increased her pace. The female then ran to her house and locked the door and called her mother. The male returned to his car and drove past the female's residence and out of her line of sight. The female and her mother then contacted the police. Attached is a composite sketch of the male. If anyone has any information on the male's identity or a similar incident, please contact your local law enforcement agency.
