helping our investigative efforts. At this time, we are asking for continued support in broadcasting the story, along with the picture and video of the suspect. We are asking that anyone who may recognize the suspect, to contact the PPPD and provide us with that information.

The Pembroke Pines Police is requesting the assistance of our media partners to help identify the listed prowler / peeping tom, who in recent months has committed several offenses within the listed neighborhoods located in the eastern part of the City of Pembroke Pines.

The suspect's M.O. is to approach the rear bedroom windows of the victims' residences and look inside while masturbating. On two occasions, the suspect attempted to open a window, and in one of those instances struggled with the victim who was trying to close it. The suspect has also tampered with exterior lighting to the rear of some the victims' residences and has also broken windows with a projectile using a slingshot.

Due to the suspect's actions and behavior, it is believed that he poses a threat to the community and needs to be identified. Many earlier incidents were not originally reported to police. It is possible that there

are other unreported incidents / victims within the community. Anyone who knows of or has experienced similar instances within the community, should contact the PPPD immediately.

There will be a press conference scheduled for 2:00 pm today, at the PPPD headquarters located at 9500 Pines Blvd. Additional information will be shared along with pictures and video surveillance of the suspect, which will hopefully lead to identifying him. A few of the identified victims will be present and are willing to be interviewed by the media in an effort to help apprehend this individual. However, they have all requested to have their identities concealed, as they are in fear for their safety.

In our continued effort to identify the suspect, the PPPD C.E.R.T. (Citizens Emergency Response Team) will be deployed along with sworn personnel to distribute flyers in the affected area immediately following the press conference.

This cases are all part of an active and ongoing criminal investigation.

Anyone with information regarding this incident is urged to contact the Pembroke Pines Police Department at 954-431-2200, email to Tips@ppines.com, or call Crimestoppers at 954-493-TIPS
