### **INCIDENT SUMMARY:**

On Monday, January 16, 2017, at 12:02 pm, Members of the Pembroke Pines Police and Fire-Rescue Departments responded to a crash involving a vehicle which drove off of the road and struck a tree in the 19300 block of NW 23 Street.

Preliminary investigation revealed Rose Marie Alvarez was driving a 2003 Nissan Murano east on NW 23 Street, when she suffered an apparent medical complication and lost control of the vehicle. The vehicle drove off of the roadway, mounted the curb and struck a tree on the swale, causing serious injuries to the driver and minor injuries to the passenger, Andrea Simpson of Oakland Park, FL, who was treated on scene. Alvarez was transported to Memorial Regional Hospital for treatment of injuries which were believed to be serious, but non-life threatening at that time; however, she died today at 12:06 pm, while still being treated for injuries sustained in this crash.

This is an on-going investigation and no charges have been filed at this time.
