A preliminary investigation revealed the suspect stabbed the juvenile female victim with a pair of scissors. The fight occurred between class sessions, in a hallway. As a result, the juvenile male victim and a teacher intervened to prevent the females from fighting further. During the course of intervention, the juvenile male victim and the teacher were also injured.

All victims suffered non-life threatening injuries. Victim #2 was treated by Pembroke Pines Fire Rescue on scene, for a laceration to his left hand. Victim #1 and #3 both suffered stab wounds to their left shoulder, and both were transported to an area hospital.
