INCIDENT SUMMARY:

On Monday, April 17, 2017, at 4:00 pm, members of the Pembroke Pines Police Department conducted a joint investigation pertaining to the well-being of a 9 year old child. The call for police service originated from an abuse hotline tip.

An investigation between the Pembroke Pines Police Department and the Broward Sheriff's Office Child Protective Investigations Section (CPIS) determined the suspect maliciously punished and intentionally inflicted physical injury upon a child, by burning his chest with a hot iron. Information revealed the cause for such act was because the 9 year old child was forgetful of paperwork he left at school, which infuriated the suspect since she anticipated its return.

Officers arrested the suspect and transported her to Broward County Jail. Members of the Broward Sheriff's Office Child Protective Investigative Section assumed responsibility and care for the victim, as well as two additional juvenile siblings who reside together.
