On February 5, 2018 at approximately 10:30PM the victim arrived at her residence and parked her vehicle in a guest parking space. As she was exiting, she was approached by the listed suspects. The suspects demanded that she give them her bag (which they thought was a purse) and her keys. Suspect #1 pushed the victim to the ground and held a gun to her right ear. While trying to get the keys from her hands, Suspect #2 kicked the victim twice on her right thigh and struck her three times on her head with a closed fist while telling her to shut up. The victim kept pleading with them "no, no, no". Suspect #2 then entered the vehicle to burglarize it, and Suspect #1 then ripped the keys from the victim's hands. As the victim ran towards her apartment, witnesses observed the suspects running west within the community and then southbound on 86 Ave where they lost sight of them.

An extensive search of the area by police did not locate the suspects.

The victim was treated by Pembroke Pines Fire Rescue while on scene due to feeling pain, but there were no visible injuries at the time.
