INCIDENT SUMMARY

On Friday, July 13, 2018 at 5:06 p.m., members of the Pembroke Pines Police & Fire Departments responded to a report for medical assistance.

A preliminary investigation revealed that a 17 month old was left behind in a parked vehicle, for an extended number of hours. Regrettably, CPR life-saving efforts and Fire Rescue transport did not prevent an unfortunate tragedy.

The investigation remains active.

Members of our community are reminded that leaving a child inside a car is a year-long hazard, but it is especially deadly during the summer months when temperatures can climb above 100 degrees within minutes. Always double check your vehicle after you park for loved ones or pets.
