INCIDENT SUMMARY:

At 3:54 am this morning, members of the Pembroke Pines Police and Fire-Rescue Departments responded to a report of a Commercial Fire at Ocean Breeze Chiropractic, which is located at 170 N. University Dr., Pembroke Pines, FL. Upon arrival, officers observed the glass on the front door had been shattered out and heavy smoke was emitting from within the business. Firefighters were able to contain and extinguish the blaze before it spread to neighboring businesses. The fire was initially thought to be electrical in nature; however, further investigation by PPF's Arson Investigator revealed the fire was intentionally set. The business was closed at the time of the incident; while property damage was extensive, no one was injured in the incident. A joint investigation by the Pembroke Pines PD, Pembroke Pines FD and Florida State Fire Marshal is underway. This is an active investigation and no additional information will be released at this time.
