

VENDOR INFORMATION FORM

The City of Pembroke Pines is currently implementing an enhanced Citywide Enterprise Resource Planning (ERP) system with the goal of updating our processes and improving customer service. Part of the new Tyler Technologies Munis ERP system will include a vendor management module. In addition, this new system will include a Vendor Self Service (VSS) web portal which will allow vendors to update their necessary information and documents on an as-needed basis. The City intends for this system to allow for vendors to view their Purchase Orders, Invoices, Checks and other beneficial information in real-time. Using VSS, vendors will also be able to enter and maintain their contact and remittance information, discount and payment terms, designated contact persons, and the commodity codes that represent the goods and services the vendor can provide.

While we work towards go-live with the new VSS web portal, we are requesting for vendors to complete the attached Vendor Registration Packet and submit it to accountspayable@ppines.com to help facilitate the implementation process.
