

## PUBLIC INFORMATION MEETING

### **PEMBROKE ROAD EXPANSION AND MIRAMAR PARKWAY EXTENSION**

Broward County, Florida

You are invited to the second Public Information Meeting to discuss the Pembroke Road Expansion and Miramar Parkway Extension project. This meeting is to provide project information and updates to the first meeting. This public meeting will be offered in two different formats: virtual and in-person. There will be a formal presentation and representatives will be available to answer questions. Comments and questions may be submitted prior to the meeting by emailing the Project Manager or on the project website. Both the in-person and the virtual meetings will start at 6:00 p.m. Both presentations will be followed by a question-and-answer session. The same information will be presented at both the in-person and virtual public meeting so attending both is not necessary. Project information and an interactive Project Feedback Map where you can provide comments is posted at <https://www.miramarfl.gov/2079/23565/MAP-Broward-Penny-for-Transportation-Pro>.
