Welcome to our great City of Pembroke Pines!

On behalf of myself, our entire City Commission and City staff, thank you for choosing Pembroke Pines for your new home. You'll experience for yourself quite quickly that Pembroke Pines is a great place to raise a family, meet new people, and enjoy life with the City's excellent programs, services, schools, businesses, friendly events, and arts and cultural activities that can be enjoyed year-round.

This website offers comprehensive information on a variety of topics to help you acclimate, get to know our various City departments, and learn about important resources to best prepare for hurricanes, which unfortunately are a part of living in our state. You'll have access to phone numbers, answers to questions and our "Pines Pal" found on the bottom right of every website page is eagerly awaiting any question you may have.

I encourage you to get out and explore all the wonderful things Pembroke Pines has to offer, sign up for our digital newsletter and social media platforms and read our bi-monthly newspaper that will be delivered to you via mail. There are many ways to stay informed.

Again, welcome to Pembroke Pines, and thank you for choosing our great City as your home!

Sincerely,

Mayor Frank C. Ortis
