# Educational Facilities

The Educational Facilities Map is a web application that provides the location and general information about the different types of educational facilities in Pembroke Pines. Facilities are categorized by facility type which includes elementary schools, middle schools, high schools, colleges, trade schools, instructional facilities, tutoring centers, and early childhood development centers.

Utilities / Public Works

# Water Service Line Inventory

The Water Service Line Inventory Map is a web application that allows users to review the current inventory of water line material in the City of Pembroke Pines. Per Federal and State regulations, communities are required to complete this inventory to ensure public water systems are reducing lead exposure to their customers.
